

1996 yılında kurulan Yöre Şirketler Grubu, kahvaltılık gıda sektöründeki tecrübesini Gemlik'te bulunan zeytin, turşu ve gurme ürünleri fabrikası ile Kartepe ve Çanakkale'de bulunan iki adet süt ve süt ürünleri üretim tesislerini hayata geçirerek pekiştirdi. Yöre Grup; kendi üretim tesislerini faaliyete geçirdikten sonra; 2010 yılında Peyba Toptan Gıda Pazarlama Şirketi'ni kurarak, fabrikalarında ürettiği her ürünü; hem yurtiçinde hem de yurtdışında pazarlamaya başladı.

Ünlü markalı siyah ve yeşil zeytinler ile bağ yaprağı ve turşular; başta Avrupa ülkeleri olmak üzere; onlarca kıtaya Anadolu topraklarının eşsiz lezzetlerini taşıyor. Gemlik'teki üretim tesislerinde üretilen Ünlü zeytinlerinin; tarlalardan toplanıp, hijyenik koşullarda işlenmesi ve ambalajlanması, sonrasında depolanması süreci, Gemlik'teki üretim tesisinde uzman kadro eşliğinde titizlikle yürütülmektedir.

Yurtiçi ve yurtdışında bayilik ağı ile birlikte hızla büyüyen Ünlü zeytinleri; yurtiçi ve yurtdışında düzenlenen ulusal ve uluslararası gıda fuarlarına da katılarak; ürün kalitesini her geçen gün daha fazla tüketiciye ulaştırmaktadır.

Founded in 1996, Yöre Group of Companies has strengthened its experience in the breakfast food sector by opening the olive, pickle and gourmet products factory in Gemlik and two milk and dairy production facilities in Kartepe and Çanakkale. After opening its own production facilities, Yöre Group established Peyba Wholesale Food Marketing Company in 2010 and started to market its all products both in Turkey and abroad. Ünlü branded black and green olives, vineyard leaves and pickles carry the unique tastes of Anatolian lands to many continents, especially European countries. Picking, production, hygienic processing, packaging and storage processes of Ünlü olives, which are produced at production facilities in Gemlik, are carried out by a specialized team at the production plant in Gemlik. With its fast growth thanks to a dealership network in Turkey and abroad, Ünlü olives attends national and international food exhibitions and offers its product quality more and more consumers every passing day.
